

OUR WEST KELOWNA COMMUNITY VISIONING

JOIN THE #OURWK CONVERSATION!

The City of West Kelowna is excited to launch the #OURWK Community Visioning initiative and we invite you to participate!

#OURWK is about imagining the future we want and putting the pieces in place that will make it happen. We know that great communities are built by individuals, groups, and organizations through participation in opportunities like this. We invite you to share all that is important to you so we can plan our community's future, together!

Did you know?

Creating a clear and inspiring vision is the first step in updating our Official Community Plan, which will guide how we shape West Kelowna's future. This is also a great opportunity for us to create stronger community connections.

Our first phase of engagement is planned between June and September 2020.

Our emphasis will be on listening to you and understanding what matters most to our community.

We will offer many opportunities to engage and we invite you to visit ourwk.ca to fill out our community questionnaire and learn about how you can help shape the future of West Kelowna!

QUESTIONS?

Please keep in touch with us to learn more about this initiative and the many upcoming input opportunities:

Web: ourwk.ca

Email: ourwk@westkelownacity.ca

Phone: 778-797-8830

Thank you for keeping connected with us and stay well!
