

IN YOUR COMMUNITY

PUBLIC NOTICE

Participate in budget consultation

Join the conversation on the Draft 2021 Budget and learn more about Council's updated 2021-2022 Strategic Priorities. Visit our virtual open house Feb. 16 to 25 at westkelownacity.ca or register to take part in a one-hour online info session Feb. 18 or 25.

Learn about the City's capital and operating budgets designed to support Council's Strategic Priorities and keep our community moving forward. We will upgrade aging infrastructure and modernize our community with more active transportation options such as roundabouts at Bartley and Shannon Lake Roads and Gellatly and Carrington Roads and sidewalk and cycling connections on Shannon Lake Road. A proposed 4.05 per cent tax increase includes a one per cent levy to support infrastructure investments.

Nominate a Snow Star

Recognize our community's Snow Stars - those caring and kind citizens who clear your or your neighbours' sidewalks of snow and ice. Enter them for a chance to win a great prize at the end of winter.

Nominate your Snow Star by filling in the online application form or downloading and printing it from the City's website at westkelownacity.ca/snowstar. You may also write us a letter. Mail completed forms and letters to Municipal Hall at 2760 Cameron Road, West Kelowna, BC V1Z 2T6 or email them to us at info@westkelownacity.ca. Include Snow Star in the subject line and ensure we receive nominations by March 15. In order to be eligible for a prize, Snow Star nominees must be City of West Kelowna residents.

Stay connected with us

Don't miss a thing. Subscribe to receive the City of West Kelowna's news and alerts directly to your inbox. Sign up today at westkelownacity.ca/subscribe and choose from our list of options or choose all.

Receive updates on our many input opportunities this year including the City Hall Project, an updated Master Transportation Plan and our new Official Community Plan. Follow capital projects including Rose Valley Water Treatment Plant.
