June 16, 2023

Dear homeowner/occupant,

**RE: Rock Ridge Park Channel Recovery Project**

The City of West Kelowna is contacting you to provide advance notice of construction in your neighbourhood.

Beginning **July 3 through to the end of September**, Cabin construction crews will complete work on the Rock Ridge Park Channel Recovery Project (Phase II), which may be located near your home.

Recovery work will include the reconstruction of approximately 250 metres of degraded channel bed and banks. Construction will occur weekdays from 7:00 a.m. to 7:00 p.m. with the possibility of some weekend work. The construction schedule is subject to weather, contractor timelines and other factors. This work is necessary to help protect infrastructure and mitigate flood risks.

We appreciate your patience and understanding during construction. While work is underway, residents can expect the following:

- **Park closure** – To ensure the safety of the crews and the public, Rock Ridge Park will be closed during construction.
- **Reduced street parking** – To allow space for crews to work safely, street parking will not be permitted in the equipment and materials laydown areas located on Scott Crescent and Griffiths Place. **Please ensure all vehicles are moved from the street prior to construction starting on July 3.**
- **Minor traffic delays** – Single-lane alternating traffic will be in effect while work is underway on Griffiths Place and Scott Crescent. If you are travelling through this area, please follow signage and adhere to posted speed limits.
- **Scott-Brens intersection closure** – The Scott Crescent and Brens Road intersection is scheduled to be closed for approximately 6 weeks beginning **July 12**, while crews construct the lower reach of the channel. Please see to the attached map for detour routes and work areas.
- **Community Mailbox Access** – Pedestrian access to the Canada Post Community Mail Box located near 1604 Scott Crescent will be accommodated around the closure area.

**City of West Kelowna**

2760 Cameron Road, West Kelowna, British Columbia V1Z 2T6  
Tel (778)797.1000 Fax (778)797.1001

- **Garbage and recycling collection** – Garbage and recycling collection will continue as normally scheduled.
- **Emergency access** – Access for emergency services will be maintained throughout construction.

Please refer to the following map for locations of the work.

If you have any questions about the project, please call me directly at 778-797-2221 or email me at [Trevor.Paille@westkelownacity.ca](mailto:Trevor.Paille@westkelownacity.ca).

Regards,
