To be eligible for the FireSmart grant, the qualifying project must be completed and all requested documents (including receipts and photos) must be submitted. Successful completion of the FireSmart grant application does not guarantee a grant will be awarded. Funding is limited and is awarded in part based on the quality of the application and how applicable the work is to FireSmart principles. A site visit may be required prior to grant approval. Those awarded grants give permission to City of West Kelowna to use photos for publications such as brochures, annual reports, websites, or media releases.
