A Good Place to Be!**

WELCOME

The operation of the Webber Road Community Centre is a partnership between the City of West Kelowna and the Boys and Girls Clubs of the Okanagan. The Boys and Girls Clubs of the Okanagan has been a leading provider of programs to children, youth and families since 1959. Each year our programs and services support the healthy physical, educational, and social development of over 12,000 young people and families in over 42 Clubs and service locations throughout the Okanagan Valley. As a member of the Boys and Girls Clubs of Canada, the Boys and Girls Clubs of the Okanagan is the largest in geographical area in Canada and the second largest in economic size. We help young people grow healthy, happy and safely from birth to adulthood, and are a resource and support for parents throughout their family's involvement with us.
