WELCOME

The operation of the Webber Road Community Centre is a partnership between the City of West Kelowna and BGC Okanagan. BGC Okanagan has been a leading provider of programs to children, youth and families since 1959. Each year our programs and services support the healthy physical, educational, and social development of over 8,000 young people and families in over 42 Clubs and service locations throughout the Okanagan Valley. As a member of BGC Canada, we help young people grow healthy, happy and safely from birth to adulthood, and are a resource and support for parents throughout their family's involvement with us.
